CARE, Hawaii Inc. Call for more information on their various housing programs.	(808) 536-0064	A 8-16 Hr. Group Home is defined as a housing service designed to be individualized, integrated into the community, and the most normal and least restrictive possible consistent with the individual's needs. Supportive staff is on site between 8 to 16 hours per day, seven days a week.
Mental Health Kokua Call for more information on their various housing programs.	632-0466	Operates and manages several group homes for AMHD eligible consumers. A 24 Hr. Group Home is defined as a housing service that is directed to those consumers who are being discharged from the HOSPITAL and to those consumers who without 24 hour care, would further decompensate and increase their likelihood of hospitalization or those consumers whose goal is to move to more independent living options from a higher level of care. A 8-16 Hr. Group Home is defined as a housing service designed to be individualized, integrated into the community, and the most normal and least restrictive possible consistent with the individual's needs. Supportive staff is on site between 8 to 16 hours per day, seven days a week.
Steadfast Housing Development Corp. Call for more information on their various housing programs.	(808) 599-6230	A Semi-Independent housing is defined as residential staff provide support and assistance, skills, training, and consultation with individuals who are part of the resident's support network. All programs are designed to be individualized, integrated into the community and the most normal and least restrictive possible, consistent with the individuals needs. This program has a designated use, whether short-term transitional or for long-term support for persons who are eligible AMHD consumers. Supported Housing provides AMHD consumers the option to live in permanent housing of their choice with service to successfully assume the role of tenant and neighbor. This occurs in settings where an individual can live either alone, with a relative, or friends in a home or an apartment without regularly structured supervision from supported housing and mental health staff.

IN HOME RESPITE	Contact #	
Hospice Hawaii 860 Iwilei Road Honolulu, Hawaii 96817 www.hospicehawaii.org	924-9255 922-9161	Hospice Hawaii provides a special kind of caring for terminally ill people and their families at their place of residence, be it at their own home, in a hospital, nursing home, or other residential setting. Patients and families are helped to make the most of every moment of remaining life by providing pain management, compassionate attention, respite for caregivers, bereavement counseling, assistance with final wishes, plans and much more. Usually there is no cost to patients and the families since most insurance programs pay for hospice care.
